EM1425

Product description

Aftershave lotion, 100 ml.

Risk type

Chemical

Risk description

The product contains benzyl alcohol but the presence is not indicated in the list of ingredients. Consumers are not aware of its presence and may suffer allergic reactions or skin sensitisation. Moreover, the product also contains allergenic fragrances (Linalool, Limonene, Citral, Geraniol and Farnesol), which are not mentioned in the list of ingredients. Failure to mention the presence of these allergenic substances on the labelling in leave-on products may cause dermatitis/eczema, or more serious skin reactions in already sensitized persons.

Legal provisions (at EU level) and European standards against which the product was tested and did not comply

The product does not comply with the Cosmetic Products Regulation.
